LAJEADO

A Semana da Pátria foi aberta oficialmente na manhã de ontem e contou com apresentações da banda da Escola Municipal de Ensino Fundamental São Bento e do Coral da Sociedade Lajea-

ense de Atendimento à Criança e ao Adolescente (Slan). Durante a programação, estão previstas atividades voltadas à valorização da história, da cultura e das raízes brasileiras e gaúchas. Neste ano, as comemorações têm como tema os Sete Povos das Missões, em referência aos 400 anos do início das missões jesuíticas no Rio Grande do Sul.

Para a secretária de Educação de Lajeado, Adriana Vetorello, a escolha do tema permite relacionar o conteúdo trabalhado nas escolas com a história e a formação cultural do Estado. Segundo ela, as atividades buscam estimular nos estudantes a reflexão sobre pertencimento, identidade e responsabilidade cidadã.

“A escola oportuniza, ela é o espaço da aprendizagem, para que os estudantes reflitam sobre esse sentimento de pertencimento, de

olhar as nossas origens, os povos que vieram antes e a cultura que deixaram”, afirma.

Nas escolas municipais, a programação será desenvolvida principalmente até sexta-feira, com atividades internas relacionadas ao tema. A proposta é integrar conteúdos históricos e culturais às atividades pedagógicas. Adriana também destaca que a Semana da Pátria ocorre em um período próximo à Semana Farroupilha, permitindo uma conexão entre a história nacional e a formação do Rio Grande do Sul. Para ela, as duas datas podem ser utilizadas como momentos de aprendizado

sobre cidadania e participação social.

Do passado ao futuro

A prefeita Gláucia Schumacher também ressaltou a relação entre passado, presente e futuro durante a cerimônia. Para ela, conhecer a trajetória das gerações anteriores é uma forma de compreender a construção do município, do Estado e do país, mas a responsabilidade pelas próximas etapas cabe à sociedade atual.

“Nós chegamos aqui porque

tivemos um passado. Tivemos nossos pais, nossos avós, nossos bisavós. E assim foi construindo toda a história. Mas agora o tempo é nosso. Nós estamos aqui e seremos responsáveis pelo futuro da nossa cidade, do nosso Estado e da nossa nação”, declarou.

A programação da Semana da Pátria segue até segunda-feira, 7, véspera do feriado da Independência do Brasil. Em seguida, as atividades cívicas e culturais dão espaço às celebrações da Semana Farroupilha, mantendo a sequência de ações voltadas à história e às tradições do Rio Grande do Sul.

MOBILIDADE URBANA

Município inicia obras para melhorar segurança na Benjamin Constant

Projeto prevê dez novos retornos e fechamento de cruzamentos em trecho da avenida, com investimento de R\$ 1,2 milhão

Intervenções abrangem trechos entre as ruas Selma Weissheimer e Carlos Kronhardt

A Secretaria de Obras iniciou ontem as obras de mobilidade urbana que consistem na construção de novos retornos e o fechamento de cruzamentos onde há maior risco de acidentes na avenida Benjamin Constant. As intervenções ocorrerão entre as vias Selma Weissheimer e Carlos Kronhardt, abrangendo os bairros Montanha, Jardim Botânico, Bom Pastor, Moinhos da Água e Conventos. Ao todo, serão construídos 10 retornos, considerando que serão feitos retornos para os dois sentidos da avenida em cinco locais.

O objetivo do investimento é oferecer maior segurança no trânsito ao longo deste trecho, uma vez que em razão da topografia da Av. Benjamin Constant, alguns locais onde há cruzamentos a visibilidade dos motoristas que precisam cruzar a avenida fica prejudicada, oferecendo maior risco de acidentes.

A fim de aumentar a segurança para os motoristas e pedestres, foi realizada uma análise dos locais mais propícios a receberem os novos retornos, bem como onde deverão ser fechados permanentemente alguns cruzamentos e pontos de retorno.

As obras consistem na escavação dos locais onde serão executados os retornos, recomposição com rachão, base, pavimentação asfáltica, instalação de meio-fio, sinalização viária horizontal e vertical, incluindo faixas de segurança, bem como fechamento dos outros pontos de cruzamentos com terra e grama, e instalação de meio-fio.

O primeiro ponto a receber a intervenção ocorre nas imediações do entroncamento da Benjamin Constant com a Rua Selma Weissheimer, onde será construído o primeiro ponto de retorno, nos dois sentidos da avenida. Os trabalhos iniciais se dão com a escavação do canteiro central e movimentações de terra, razão pela qual os motoristas precisam

redobrar a atenção devido aos trabalhos com o uso de máquinas pesadas e caminhões. O cronograma de obra prevê a conclusão dos trabalhos em cinco meses. O investimento da administração de Lajeado será de R\$ 1,2 milhão.

ESTRELA CAUSA ANIMAL

Câmara aprova auxílio financeiro para associação de proteção aos animais

DA REDAÇÃO

A Câmara de Vereadores de Estrela realizou sessão ordinária na segunda-feira (31/8). Os vereadores aprovaram o Projeto de Lei nº 91-02/2026, que autoriza o Executivo a conceder auxílio financeiro de R\$ 80 mil à Associação Estrelense de Proteção aos Animais (Aepa). Atualmente, a entidade abriga 260 animais, sendo 158 cães e 102 gatos.

O recurso será destinado exclusivamente ao custeio de alimentação, medicamentos veterinários e outras atividades essenciais de defesa e bem-estar animal. A justificativa é de que a Aepa desenvolve trabalho de interesse público no acolhimento, tratamento e encaminhamento de animais abandonados.

Também foi aprovado o Projeto de Lei nº 89-02/2026, que revoga a Lei Municipal nº 4.064, de 2005, que tratava do pagamento da remuneração dos servidores públicos municipais em banco oficial indicado pelo servidor. A revogação acompanha a evolução dos serviços bancários e não representa prejuízo aos direitos dos servidores, que podem utilizar os mecanismos disponíveis para transferência de seus créditos.

O Projeto de Lei Ordinária nº 37/2026, de autoria do vereador Fe-

Vereadores aprovaram denominação de rua em homenagem a pioneiro do município

lipe Diehl, também foi aprovado. Denomina a atual Rua F do Loteamento Residencial Ávora, no Bairro Auxiliadora, de Rua João Mörschbacher. A proposta busca preservar a memória de um dos pioneiros da colonização de Estrela e reconhecer sua contribuição para a formação e o desenvol-

vimento do município.

João Mörschbacher chegou à região de Estrela em 1856 e atuou como marceneiro e construtor, contribuindo para a construção de moradias e estruturas comunitárias. A homenagem ocorre no ano em que Estrela celebra 150 anos de emancipação política.

A Câmara de Vereadores de Lajeado aprovou o Projeto de Lei que institui o programa "Lajeado pelo Fim da Violência contra a Mulher" na sessão ordinária de terça-feira (25/8). A proposta foi incluída na pauta e votada em regime de urgência após acordo entre as lideranças dos partidos com representação no Legislativo.

O programa estabelece ações permanentes de prevenção, conscientização e combate à violência contra a mulher. Também prevê a divulgação dos canais de denúncia e dos serviços que integram a rede de proteção no município.

Amnésia Eleitoral

Você lembra em quem votou em 2022? Quem foram os candidatos que mereceram o seu voto? Se a resposta foi positiva, parabéns, você faz parte do pequeno eleitorado brasileiro com memória eleitoral. Já o outro lado, dos que não recordam, é bem maior. É o que nos revela uma pesquisa do Datafolha, realizada em junho passado.

A maioria dos brasileiros não se lembra em quem votou para os cargos legislativos em 2022. Apenas 23% afirmam lembrar em quem votaram para os cargos de senador, deputados federal e estadual.

Para o cargo de deputado federal, a maioria, 67%, diz não se recordar, e 10% declararam não ter votado. Quando perguntados sobre deputados, apenas 6 dos 513 em exercício foram lembrados nas respostas espontâneas. O padrão se repete para deputado estadual: 23% lembram, 66% não recordam e 10% não votaram.

Mesmo entre os mais lembrados, os índices são muito baixos: o mais citado, Nikolas Ferreira (PL-MG), é mencionado por apenas 6% dos entrevistados. Um total de 36% disseram não lembrar de nenhum deputado federal, e 32% afirmaram não saber - somando 68% de eleitores sem referência alguma à Câmara dos Deputados.

Quando perguntados espontaneamente sobre senadores em exercício, 40% dos brasileiros não conseguiram citar nenhum nome, e 35% disseram não saber. Somados, os dois grupos representam 75% do eleitorado - três em cada quatro entrevistados não citaram um representante no Senado.

A pesquisa evidencia uma hierarquia na memória eleitoral dos brasileiros: quanto maior a visibilidade do cargo, maior a lembrança do voto. Para governador, 54% afirmam lembrar da escolha feita em 2022, contra 38% que não recordam e 9% que não votaram.

O desconhecimento cai apenas quando o assunto é o voto para presidente, que está no topo da lembrança de voto: 85% dos entrevistados dizem se recordar da escolha, contra apenas 7% que não lembram e 8% que não votaram.

Mas essa "amnésia eleitoral" explica-se, em parte, ao observarmos a quantidade de candidatos. Aqui no estado são 541 candidatos a deputado estadual, 455 para deputado federal, 13 para senador, 7 para governador, além dos 13 candidatos a presidente. Somados, passam de mil nomes!

Junte esse número enorme de concorrentes a uma sociedade que não reserva muitos minutos por dia para se inteirar sobre os acontecimentos políticos, que literalmente não tem memória, não estuda, não lê, e quando lê, simplesmente não consegue interpretar.

Talvez por isso repetimos tantos erros do passado. Nosso nível político-intelectual é muito limitado.
